

IRIS Release Notes v6.7.0.0

October 3rd, 2022

Enhancements

Request ID	Subject	Category
328802	Alien Number Generator	Administrator
Added a button in IRIS which will automatically generate a 15-Digit Alien Number as per defined formatting by ORR in "FY22 P2 RADS Guidance" document. This AlienNumber generation button will be available on "Member Information" page and "Add Non-Refugee Case" page in IRIS.		
328990	Add New Group for User Invite	Administrator
Added new zone called 'InviteUsers' in IRIS such that only User Groups have this zone Assigned can see "Invite User" and "Create User" buttons in User Maintenance.		
323224	Affiliate Profile Enhancement - Resettlement Environment	Administrator
Updated Resettlement Environment tab in Affiliate Profile.		
328991	Disabled Form Based Login	Administrator
Added variable called Hide Form Based Login such that when TRUE, 'Username and Password' fields will be hidden from IRIS Login page and 'Invite User' button will be hidden under User Maintenance tab in IRIS dashboard.		
327968	MG Enrollment Period Change	Matching Grant
Updated MG Enrollment rules; Case must be enrolled to MG within 30days from Arrival Date (Arrival Date + 29days) for Refugee Case and within 90days (Arrival Date + 89days) for Non-Refugee Case.		
328206	Update Health Screening help text in R&P Report	Post-Arrival
Updated 'Health Screening' help text in 'R&P Period Report - Case' to say, "Health Screening (Within 90 days of arrival)" instead of "Health Screening (Within 30 days of arrival)".		
326107	MG Immigration Status by Affiliate and Site - Summary	Reports
Updated MG Immigration Status by Affiliate and Site – Summary standard report in IRIS to include UHP cases.		
328315	Implement Modern Authentication for IMAP/SMTP in IRIS	Administration
Implement modern authentication method for IMAP/SMTP services to support Microsoft changes.		

Bug Fixes

Request ID	Subject	Category
328242	Remove APA and UHP Cases from Arrival Reconciliation Process	Post-Arrival
Removed APA and UHP cases from Post-Arrival Reconciliation process in IRIS as reconciliation process is built for R&P Cases only.		
327387	R&P Report missing Financials for Walk-In Case	Post-Arrival
For Walk-In cases (Post Arrival SIV), 90th day is calculated from "Assurance Date" instead of "Arrival Date" for R&P Reporting but under Financials 90 th day was still calculated from Arrival Date hence fixed.		
327174	CO Assessment due for Removed Individuals	Post-Arrival
Fixed an issue where individuals which are removed from were still showing up in CO-Assessment due page.		
328214	Pre-Case Print not displaying members correctly	Pre-Arrival
Fixed an issue in Pre-Case pdf print where members were not printed correctly, and members were missing from USTie Family section in Print AOR report.		
327300, 326434	New Users not in Case Workers list	Administration
Fixed an issue where new users were not showing up in Case Workers drop-down list.
